

UW 2021 Summer Campus Plan

University of Wyoming recently published its 2021 Summer Campus Plan in response to the COVID pandemic. Over the course of several announcements, Human Resources will highlight the major elements of the plan. The entire plan can be found: http://www.uwyo.edu/ALERTS/_files/docs/uw-summer-plan.pdf.

Today's focus is Vaccines.

Vaccines

At this time, the University is recommending but not mandating the COVID-19 vaccine for faculty, staff and students.

The University will however continue to encourage and incentivize staff, faculty, and students to voluntarily take the COVID-19 vaccine. Additionally, UW requires that all faculty, staff and students report their vaccination status. For employees a [quick reference guide](#) has been created to help report vaccinations within HCM. Students who receive their COVID-19 vaccinations should upload documentation to the Student Health Service patient portal as soon as their vaccine series is complete.

Additional details regarding vaccines can be found in the UW Summer 2021 Guidelines: http://www.uwyo.edu/ALERTS/_files/docs/uw-summer-guidelines.pdf.
