

ARTICULATION AGREEMENT BETWEEN WESTERN WYOMING COMMUNITY COLLEGE AND UNIVERSITY OF WYOMING

OVERVIEW:

This formal program articulation agreement is made and entered into by Western Wyoming Community College, hereinafter referred to as WWCC, and University of Wyoming, hereinafter referred to as UW. By this agreement WWCC and UW express a shared commitment to increasing opportunities for student access to and success in higher education.

PURPOSE:

This agreement provides students who have completed the **Associate of Science** degree with articulated coursework in Business and Finance the opportunity to complete a **Bachelor of Science in Accounting** degree at UW. Any WWCC student who has earned an Associate of Science degree with coursework that adheres to the guidelines within this agreement is guaranteed that UW will accept designated major related credits and that all general education credits will apply to the Bachelor of Science degrees in a manner consistent with the treatment of native UW students and given junior status in the major.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

WWCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as native UW School of Business students enrolled under a specific catalog.

Criteria for acceptance into UW School of Business will be consistent with the criteria outlined in the institutional articulation agreement between WWCC and UW.

WWCC, upon request of students, will provide verification of completed courses to UW through its Office of Registration and Records.

Transfer students from WWCC will have access to financial aid, scholarships, and student services on the same basis as native students.

UW will apply the same academic progress and graduation standards to WWCC transfer students as those applicable to native UW students.

Section II: Program Plan

While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at WWCC meet general education requirements at UW. Students falling under this program articulation agreement will be responsible for successfully completing the additional prescribed requirements.

Free electives	<u>13</u> 56

Transfer students must complete a minimum of 30 upper division credit hours from UW.

TERMS OF AGREEMENT:

This agreement is made and entered into in the academic year 2015-2016 and remains in force unless a new articulation agreement is signed by all parties. The agreement is subject to annual review to ensure currency with the respective degree requirements, and may be amended at any time. Should either party desire to discontinue this agreement, advance notification of one year will be required.

SIGNATURES:

By the affixing of signatures of the academic officers of both institutions, Western Wyoming Community College and University of Wyoming hereby enter into this program articulation agreement leading from the Associate of Science degree with articulated coursework to the Bachelor of Science in Accounting.
