Block Transfer for
Graduates and Current Students of Wyoming ReNEW ADN (Associate Degree in Nursing) Programs

This Block Transfer Guide outlines how students who are completing/have completed a qualifying transfer Associate Degree in Nursing (ADN) at a Wyoming Community College (WYCC) may transfer to the University of Wyoming (UW) Bachelor of Science in Nursing degree program (BSN) under the ReNEW (Revolutionizing Nursing Education in Wyoming) option. The BSN depends on the foundational coursework completed for the ADN to prepare the student for Bachelor-level study. Refer to the University Catalog for a complete list of expected student learning outcomes for students completing the BSN.

Color Code:

BLUE sections indicate courses that could/should be taken at the WYCC.

GREEN sections indicate courses that should be taken at the University of Wyoming.

BLOCK 1: University Studies Program (USP) Requirements (See the UW catalog for more information.)

Once the student has completed the ReNEW ADN benchmark, the majority of the lower division USP requirements will be waived*.

All students must have taken a course that satisfies the UW USP:V (US & Wyoming Constitutions) requirement at UW.

Upper Division Writing (USP category C3) will be satisfied by successful completion of NURS 4055 with a grade of C or better.

**To qualify for a waiver of the lower division USP requirements, students must enter UW as of fall 2001 and must have earned the qualifying transfer associate degree from a WYCC in spring 2014 or later.*

BLOCK 2: Related Coursework (Minimum grade of C required)

If no course is listed under an institution, no equivalent course is offered at that WYCC.

BLOCK 4: MAJOR REQUIREMENTS (*Take at UW; minimum grade: C*)

Fay W. Whitney School of Nursing (FWWSON) Requirements and Notes:

- Formalizing ReNEW BSN enrollment includes verification of a ReNEW ADN earned, clearance of the College of Health Sciences background check, and student's signature agreeing to program requirements.
- ALL transfer credits from outside ReNEW ADN programs must be verified through the BSNC office (ReNEW@uwyo.edu).
- Requests for course substitutions may be made to the BSNC office (ReNEW@uwyo.edu).
- A grade of C or above is required for all Nursing coursework.
- 2-credit courses are delivered as 8-week, half-semester blocks. Fall and spring semesters offer first-half and second-half blocks. Summer semester is a single block.
- Course requirements/expectations are subject to change. Maintain contact with your FWWSON adviser for current expectations.
- ReNEW ADN graduates meet the Upper Division credit requirement through ReNEW institutional agreements to accept NURS 2400 toward the upper division requirement, PHCY 3450, PHCY 4450 and UW Nursing Coursework.
- FWWSON web site: www.uwyo.edu/nursing

University of Wyoming Requirements:

- A minimum of 120 credit hours is required. If all course requirements are met, but student has not completed 120 credits in total, they must take additional coursework to reach 120 credits.
- Students must have a minimum cumulative grade point average of 2.0 to graduate.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from UW.
- Students may not take a course for S/U credit to satisfy any degree requirement, unless the course is offered for S/U credit only.
- The University of Wyoming Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.
- All students must complete a course that satisfies the statutory requirement for a US & Wyoming Constitutions course. This is usually completed at the WYCC.
