## GO BABY GO PROGRAM

Go Baby Go Wyo is a program that modifies off-the-shelf ride-on toy cars for kids with disabilities. This program serves children birth-5 years old who have mobility impairments.

Ride-on-cars can be a great tool to help children with disabilities increase independent movement while encouraging play, exploration, and socialization.

The Child Development Center of Natrona County and Wyoming Assistive Technology Resources are collaborating to customize ride-on-cars to meet the specific needs of a child and provide the car at no cost for a family.

## APPLY FOR A CAR

Fill out online application at [www.cdccasper.org/gobabygo](http://www.cdccasper.org/gobabygo)

If you are having difficulty answering the questions, ask your child's physical or occupational therapist to help. Once submitted, the form automatically goes to the GoBabyGo Wyo team.

The Go Baby Go Wyo team will contact you with more information once we receive the application.
