

## University of Wyoming Summer 2006

Starting in 2006-07, the academic year definition was changed to reflect Banner's academic year definition of fall, spring, and summer terms. Prior to 2006-07, the academic year definition included summer, fall, and spring terms. For example, AY 2005-06 includes August 2005, December 2005, and May 2006 while AY 2006-07 includes December 2006, May 2007, and August 2007. This change excluded the August 2006 numbers from being included in an academic year count so they are being shown separately here for informational purposes.
