

University of Wyoming Air Force ROTC Fact Sheet

Dedication. Drive. Discipline. Decision for Your Future.

Developing Air/Space Force leaders of tomorrow since 1952

Detachment 940 has steadily built upon its premier educational program to commission some of America's highest quality Air/Space Force officers. University of Wyoming's unique AFROTC environment provides cadets with intense training, challenging coursework, and normal university life to instill values of integrity, service before self, and excellence in character.

Cadets in this leading institution come from across the country. Each year, Detachment 940 enrolls a diverse freshman class of approximately 20-30 cadets. The total number of cadets enrolled can vary, but typically sits at approximately 60. Cadets come from a variety of economic, social, and cultural backgrounds and represent a wide range of academic and career interests in air, space, and cyber-space.

Military Commitment

Most Air Force Specialty Codes (AFSC): **4 years**

Combat Systems Officer, Remote Piloted Aircraft Pilot, and Air Battle Managers: **6 years** after training

Pilots: **10 years** after two year pilot training

High School Scholarship Eligibility

Academic Standards

General Military Course (GMC)

- During freshman and sophomore years, complete aerospace studies classes with a grade of **C- or above** and must pass all Leadership Laboratories.
- Cadets on scholarship must maintain a minimum **2.5 CGPA** and be enrolled as a full-time student at UWyo.
- Cadets not on scholarship must maintain a minimum **2.0 CGPA**.

Professional Officer Course (POC)

- During junior and senior years, complete aerospace studies classes and all Leadership Laboratories with a grade of **C- or above**.
- Cadets on scholarship must maintain a minimum **2.5 CGPA** and be enrolled as a full-time student at UWyo.
- Cadets not on scholarship must maintain a minimum **2.0 CGPA**.

Air Force Officer Qualifying Test (AFOQT)

- Required standardized test for all cadets on scholarship or in the Professional Officer Course, typically taken in your Sophomore year.
- Test taken sophomore year and can only be taken **twice**.
- Measures verbal and math aptitude as well as additional aptitudes relevant to specific career fields (i.e. Pilot, CSO, Air Battle Manager).

Scholarships

The majority of scholarships are offered to students majoring in engineering, scientific, and technical fields deemed critical by the Air/Space Force.

Full college tuition, most fees, and book allowance are typically included. Potential for 5th year scholarship coverage for specific degrees.

Scholarship Length

- 4-yr scholarships activate in the fall of your freshman year.
- **Charles McGee Leadership Award**: two-year tuition award of \$18,000 per year for qualified cadets who demonstrate the ability and intent to commission into the Air or Space Force.

Special Programs

Graduate Law – 1 or 2-yr program for law students. If selected, students are guaranteed a position as an Air Force Judge Advocate upon completion of AFROTC and law school.

Nursing – Sophomores or juniors majoring in nursing are eligible to receive scholarship and will compete for a position as a Nurse Practitioner in the Air Force upon completion of AFROTC, obtaining their BSN and completion of the NCLEX.

Health Professions Scholarship Program – 1 or 2-yr program for Allied Health professionals and 3 or 4-yr scholarships for medical corps and dental corps.

Enlisted Commissioning Programs – ACSP, SOAR, POC-ERP, SLECP-A, and LEAD offers members that are currently enlisted in the USAF/USSF the opportunity to obtain a bachelor's degree through various means, and then commission as an officer.

If receiving other scholarships, some military scholarships can be converted to cover housing costs.

Monthly Stipend

GMC Cadets on scholarship earn:
\$300-freshman
\$350-sophomores

POC Cadets after contracting:
\$450-juniors
\$500-seniors

Facilities and Housing

Det 940 Offices are located in Hill Hall. Aerospace Classes are located in the History Building.
