

# FREE GARDENING WORKSHOP!

**Want to grow your own food but don't know where to start?**

**Have your initial gardening attempts been thwarted by our challenging climate?**

**Then this workshop is for you!**

## **The A,B,Cs of high-altitude vegetable gardening for beginners**

March 28, 2015

Albany County Public Library meeting room

8:30 am to noon

(Registration begins at 8:00 am)

Topics include:

- An overview of things to consider for gardening successfully in Laramie
- Understanding what kind of soil you have and how to improve it
- Starting plants from seed and transplanting them successfully
- Growing the top 10 easiest vegetables for Laramie
- Overcoming the special challenges of gardening in more exposed locations

Workshop participants will be able to sign-up for some post-workshop one-time gardening mentoring

Please RSVP by March 23<sup>rd</sup> by visiting <http://abcsgardeninglaramie.eventbrite.com> or call the UW Albany County Extension office at 307-721-2571
