

Kylee was first introduced to pharmacy in her hometown of Torrington, Wyoming. She completed her pre-pharmacy coursework at the University of Wyoming prior to be accepted into the PharmD program. She spent summers as an intern at Vandel Drug in Torrington but knew she wanted to do a residency. Kylee graduated from UW School of Pharmacy in 2009 and went on to complete a PGY1 residency at the Denver VA Medical Center. She then became a staff pharmacist at North Colorado Medical Center in December of 2010. In 2014 Kylee accepted the position of Associate Director and Residency Program Director and continues in that role today. She earned her board certification in Pharmacotherapy in 2010 and added Critical Care in 2016. Wanting to grow her skills further, she completed the MHSA program at UW in 2021. Her professional interests include internal medicine, critical care and operations. She resides in Timnath, Colorado with her husband and three children.
