

# May 2024 UWAA Trustees Update

## UWAA Team

Lindsey Moniz, who has been with the association since 2022, has been promoted to our Business Manager, Executive. Lindsey has done a tremendous job as our interim business manager over the last few months not only keeping us operational but also improving our processes and procedures.

In the upcoming months we will open a search for our Special Event Coordinator to replace the position Lindsey previously held.

## UWAA Board

In April the UWAA Board of Directors met on campus. During the meeting the board transitioned its presidency from Terry Moss (Laramie) to Jane France (Cheyenne). Joe Evers (Denver) was elected as president elect. The board also heard updates from campus leadership including President Seidel, VP Chestnut, and Director of Campus Recreation, Pat Moran in addition to receiving updates from UW Athletics and the UW Foundation.
