Landscape III: *locate its memory*

I.

A tumble of tomatoes
and Nate of the Ethereal,
redhead:
the One-with-No-Faith
Breaking Bread.

II.

All in blue with pumas,
woman with the great rack:
girl with a blue garbage pail full of granola bars.
Stop being a douche,
we've been working together to help your Grandfather.

III.

Olivia, he is cheating on you!

IV.

Cute girl with a big smile,
female cyclist,
you moved in on me.
Girl,
we made out last night.
You asked me when the 49 would arrive;
you work –

V.

Hispanic bear worked
man-with-a-goatee,
Teenage boy, Asian Princess.
Pregnant woman headed into/toward.
Brunette in black BMW w Thule bike rack,
little girl's hat.

VI.

You sold me a lox sandwich,
yellow backpack,
leather jkt/hoodie,
plaid shorts+blue shoe laces.
We've been out a couple times already.

VII.

Running for bus this morning...
hot jean skirt girl
red/blond tall guy.
Gave you my scarf,
purple shirt walked by.

VIII.

Oh, hello naked neighbor –
What's going on with us?
You saved my blanket from hi tide.
Handsome waiter
sneaking a smoke.
