Date submitted:

Date/Season grant awarded (i.e. Fall 2024):

- 1. Briefly describe the activity including the date/time/location.**
- 2. Detail the number of students/faculty who were impacted including discipline (e.g., 136 Psychology Students in Psych1000-Introduction to Psychology).**
- 3. Describe any measurable outcomes (as outlined in your application) and how you collected them. We are particularly interested in any changes in skills, knowledge, mindsets, behaviors and/or circumstances.**
- 4. Briefly share any meaningful stories that capture the impact of the work you are doing.**

\*Be sure to also return the evaluation portion of your Event Survey included with your award letter!
